Achievement Awards, 3 Sweepstake Awards also the GOLD MEDAL for 'A' size. You will get a lot of satisfaction from this one.

Plant \$5.00

Root \$15.00

MY 1963 INTRODUCTIONS

The house of PENNYPACK presents for your garden three of the very best in NEW dahlias. The show records prove their worth.

***KINGS ROBE—I.D.**—The main color is peony purple, but really this one is different. The reverse silvery color of each petal gives the appearance of a dark blend. The average size of the 3 blooms that scored high and won the A.D.S. Achievement Award at the American Dahlia Society's Show—Paramus, N. J., was the 13½" x 8" and I believe it will go larger. The strong growing plant has the capability of giving you the Largest of the Show. A truly new dahlia with great possibilities.

Plant, \$5.00; Root, \$15.00

***THE BIG TEN—I.D.**—This glorified "Maffie" of rose red color, size 11½" x 6" has been winning for the past 2 years its share of high Awards in open competition, in the Philadelphia area. Again this season a big winner with 2 A.D.S. Seedling Sweepstakes Awards. Rated highly by Mr. Lynn B. Dudley and Dahliadel Nurseries after growing this fierce competition. The experts choice.

Plant, \$3.50; Root, \$10.00

***FLORENCE BAKER—(Pennypack)—A.—S.C.**—White, see front cover for picture with complete description.

Plant, \$5.00; Root, \$15.00

***VIOLET SPLENDER — I. D. —** Purple 12' X 7". The double view beauty of "show perfect" form already famous. Vigor and growth and health is no problem. Expect big things from this one.

Plant, \$2.00; Root, \$5.00

Novelties of Merit

	Plant	Root
AUTHORITY (Holland) B—I. C. Autumn (deep salmon) of "show perfect" form with a complete wrap around of petals giving depth to every bloom. The Dutch Champion.	\$3.50	
CHRISTMAS RED (Dee Cee) A—S. C. Blood red in a size of 12" x 8". Certified at 3 A. D. S. Trial gardens; the best from California ..	5.00	
CROYDON JOYFUL (Australia) A—F. D. Pink, one of the very best from "down under" in a size of 12" x 8". Has the makings to win over a well grown Kelvin. A tribute to the originator of the Croydons	3.50	10.00
CROYDON LIGHT (Australia) A—F. D. Deep pink, size 12" x 8". This one along with Croydon Joyful are the two best new exhibition originated in Australia. Rugged growth and both will win on the show table.	3.50	10.00
DRAKENBURG (Holland) B—I. C. Dark blend, basic color—deep pink with touches of arange coloring in a size of 8". Certified at 4 A. D. S. Trial Gardens.	2.00	
KWINANA MASTERPIECE (Australia) A—I. D. Autumn, an easy growing Croydon Masterpiece. Will win its share of blue ribbons.	2.00	5.00
MISS KWINANA (Australia) A—StC. An outstanding pink, 11" x 5". Strong growth giving many first rate blooms. A needed exhibition variety in this color and form class.	2.00	5.00
NANTENAN (Holland) A—S. C. A very good yellow, size 11" by an exceptional depth of 7". The best Dutch release for the season of '62. Too many Dutch introductions are of the B grade but this one has real merit.	2.00	
PARADE (Chambers) B—S. C. The Pacific Northwest gives us the Gold Medal winner. A 8" bi-color, brilliant red with a ¼ of each petal tipped white. Outstanding in Mr. Roy Webb's garden at Scranton, Pa.	2.00	
PEGGY COOPER (Australia) A—F. D. Big 12" rose-red blooms of exhibition quality. A husky plant produces the blooms on long strong stems.	2.50	
VUURVOGEL (Holland) B—S. C. Another 8" dark blend of unique color—deep yellow at base blending to cherry red at tips, for most petals. Certified at 6 A. D. S. Trial Gardens.	2.00

POMPON DAHLIAS

The following varieties have all these characteristics: Perfect exhibition type. Small flowers, round as a ball, made up of tiny quilled petals completely full to centers. Plants are of strong growth, 4' in height and flower freely throughout the season. All blooms are held above the foliage on long stems.

Australia today is giving us the best in exhibition pompons. I have obtained most of the new Willos series by Norm Williams (Australia). These will be available next season.

The following are some of the latest releases which definitely are superior to our present standard show varieties.
